TERMS AND CONDITIONS for Publishers participating in the Network

1. **Grant of Rights:**

- a. Taboola grants Publisher a limited, non-exclusive, non-assignable, non-transferable, non-sublicensable, royalty-free right during the Term to access and use (a) the Platform (including Recommendations) and any associated APIs, code, or software (including any updates and enhancements) on the Properties as described above and as mutually agreed between the Parties, and (b) Taboola's proprietary analytics dashboard (the "Analytics Dashboard") solely for purposes of tracking performance of the Platform and reviewing the analytics associated with the Properties. For clarity, during the Term, Publisher shall have the right to use, to the extent made available at scale to other publishers, the code for Taboola Read More ("Taboola Read More"), which truncates the Property article and replaces the removed text with a "Read More" button and the Platform implemented directly below, until a user clicks on the "Read More" button, which will cause the article to expand and the Platform to appear directly below the end of the full article. During the Term, Taboola may also offer Publisher the right to use certain experimental features that are made available on a test basis ("Beta Features"), which Taboola may modify or remove at any time. Taboola may modify any feature, for reasons that it believes, in its sole discretion, are necessary to comply with any applicable law, self-regulatory rule or principle, or consumer disclosure standard or best practice.
- b. In addition, during the Term, where applicable, Taboola hereby grants Publisher a non-exclusive, non-transferable, non-sublicensable, limited, and revocable right to copy and use the SDK with mobile application Properties, solely to serve Recommendations as set forth herein. Publisher shall not (a) copy, modify, or adapt the SDK or any technology therein, or (b) rent, lease, sublicense, sell, assign, loan, or otherwise transfer the SDK or any technology therein.
- c. Publisher grants Taboola the right during the Term to (i) place the Platform and Taboola Sponsored Content (and any associated APIs, code, software, or cookies involved in providing the Services) on the Properties, and to crawl the Properties (either directly or through a third party) and to interact with the Platform for the purposes of developing, optimizing, and serving Recommendations through the Services; (ii) track and analyse the performance of the Services (either directly or through a third party); (iii) conduct tests on how Visitors interact with the Properties or Recommendations to facilitate maintenance and optimization of the Services; (iv) conduct automated A/B tests of different variations of the Platform on up to fifteen percent (15%) of Publisher's traffic; (v) drive traffic to the Properties by including Publisher in "Taboola News", pursuant to the terms set forth under Appendix A; and (vi) purchase programmatic demand on Publisher's behalf to provide the Services. Taboola may use Publisher's name and logo when referring to Taboola's customers in Taboola marketing materials.
- d. To the extent that the Parties agree, at any time during the Term, that Taboola will integrate Publisher Licensed Content into the Feed, Publisher grants Taboola the right to either (i) load the Publisher Licensed Content code (e.g., JavaScript or HTML code); (ii) move the Publisher Licensed Content into the Feed; or (iii) build the Feed around or on top of the Publisher Licensed Content (e.g., a wrapper). In addition, as it relates to the container or unit that holds the Publisher Licensed Content, Publisher grants Taboola the right to (w) move its location; (x) reduce the size or hide it entirely; (y) add a scroll bar; and (z) add a "Show More" button with an attribution to Taboola.
- e. **Ownership:** As between the Parties, Taboola owns all rights in and to the Services and Taboola's Confidential Information (as

defined below), and Publisher owns all rights in and to the Properties, the Publisher Content, and Publisher's Confidential Information. Publisher is not required to provide any feedback or suggestions to Taboola. To the extent Publisher does provide any such feedback or suggestions, Publisher hereby grants to Taboola and its affiliates a non-exclusive, perpetual, irrevocable, royalty-free, transferable, worldwide right, and license to use, reproduce, disclose, sublicense, distribute, modify, and otherwise exploit all such feedback and suggestions without restriction. As between the Parties, each Party owns all data that such Party collects. As to Taboola, such data may include, without limitation: information collected from Visitors when viewing Recommendations (such as web or app behavior, browser information, or cookie data that may be read or deployed by Taboola); IP addresses; and mobile device information, IDFAs and Android Ad IDs (as applicable). The foregoing shall further include any reports created, compiled, analyzed, or derived by a Party with respect to such viewing. Taboola's data collection practices are reflected in its [privacy policy](#), which Taboola recommends that Publisher review from time to time.

2. **Platform Terms of Use:**

- a. Throughout the Term, Publisher agrees (i) to implement the Platform via JavaScript integration on the Properties, and (ii) the Platform will be, at a minimum, displayed on all pages of the Properties and maintained in the same location and alongside the same page elements, as mutually agreed between the Parties.

- c. Publisher will not implement the Platform on any Properties that contain, or publish in any publication connected to the Properties, any material or content that is, or that may reasonably be considered: illegal, unlawful, or infringing under any applicable laws (including, without limitation, content that infringes a third-party copyright, trademark, patent, or trade secret), in violation of relevant economic sanctions or trade restrictions, pornographic, profane, promotional of illicit drugs and drug paraphernalia, (including but not limited to, recreational and prescription drugs), gambling-related (unless legal in the location offered), fake or deceptive, libelous, defamatory, invasive to privacy, violent, threatening, discriminatory (racially, ethnically, or otherwise), in breach of confidence or any other right of any third party, or lacking in necessary authorizations, approvals, consents, or licenses. Nor will Publisher implement the Platform on any Properties containing, or publish in any publication connected to the Properties, content designed to promote hatred of any societal group based on, but not limited to, ethnicity, race, religion, sexual orientation, gender or trans-gender status, or designed to harass, offend, shock, or cause or promote harm to any individual (including, without limitation, by promoting "doxing"). Taboola reserves the right to remove the Services from the Properties if Taboola deems, in its sole discretion, that Publisher has violated the foregoing.
- d. The Platform will not be used on Properties that are directed to Visitors under the age of eighteen (18), Company will not permit Taboola to collect information from a device or browser in the possession of a Visitor under the age of eighteen (18), and Company will not enable the provision of any information to Taboola from a user that Company knows (such as through use of an age-gating feature) has identified himself/herself as being under the age of eighteen (18).

- e. Publisher shall not (i) reverse engineer, decompile, or disassemble the Services (including, without limitation, any SDK Technology); (ii) copy, modify, or adapt the Services; (iii) modify, change, edit, amend, truncate, alter, override, bypass, or reorder any aspect of the Services; (iv) place the Platform in an iFrame or in a container; (v) add its own code to the Platform; (vi) rent, lease, sublicense, sell, assign, loan, or otherwise transfer the Services; (vii) use the Services in a manner that threatens the integrity, performance, or availability of the Services; or (viii) redirect, block, or impede Visitors' engagement with the Services once they click on a Recommendation.
- f. Publisher shall not copy, crawl, index, cache, or store any information derived by the Services.
- g. Publisher shall not attempt to access or use the Services in an unauthorized manner, including, without limitation, any attempt to gain access to the accounts of other Taboola customers or to extract data from the Analytics Dashboard for commercial purposes.
- h. Upon Taboola's approval in writing (email shall be sufficient), Publisher shall be permitted to use a third party (a "Vendor") solely to implement and manage use of the Platform on Publisher's Properties as permitted in this Agreement, provided that (a) Publisher shall remain liable to Taboola under the terms of the Agreement, including for Vendor's actions, and (b) Vendor is under confidentiality obligations at least as restrictive as the one hereunder, and, upon Taboola's request, Publisher must provide a copy of any such confidentiality agreement. In addition, Publisher shall not permit Vendor's to (i) use any of the information provided by Publisher for purposes other than those described hereunder (ii) to mediate Taboola Sponsored Content or (iii) intervene with the Platform or Platform UI in any way. Publisher shall remain fully liable for any unauthorized use or misconduct by Vendor.
- i. Publisher shall not generate clicks on Recommendations or generate Recommendation Pageviews (as defined below) through any automated, deceptive, fraudulent, invalid, incentivized, or other means that are designed to generate clicks or Recommendation Pageviews that are not the willing actions of Visitors who possess an independent, genuine desire to engage with the content that appears on the Properties.
- j. Publisher will not engage in any action or practice that disparages or devalues Taboola (or its affiliates) or the Services.
- k. Publisher shall not use or authorize the use of the Services on any website or mobile application that is not listed as a Property herein, except as expressly permitted in writing by Taboola (email shall be sufficient). In the event that Publisher does so, Taboola may, in its discretion, deny or recoup any payments as to any such non-authorized website or mobile application) and/or terminate this Agreement.
- l. Publisher will declare Taboola as an authorized seller of Publisher's advertising inventory by adding Taboola's designated ads.txt code ("Taboola Ads.txt Code") to the ads.txt file on Publisher's root domain. The Taboola Ads.txt Code will be provided to Publisher upon implementation of the Platform. Taboola reserves the right to require the update of the Taboola Ads.txt Code on the Properties from time to time and Publisher agrees to reasonably comply with any such request by Taboola.
- m. Publisher shall uphold best transparency practices by ensuring that each of its Properties contains meaningful and accurate contact information (including, but not limited to, Publisher's legal entity name, mailing address, and working phone number and email address) in either a footer or relevant contact page so that Users may contact Publisher directly about Publisher Content.
- n. Upon termination, it shall be Publisher's obligation to remove any pixels, tags, or scripts provided by Taboola. Taboola shall have no Liability (as defined below) related to or arising out of Publisher's failure to do so.

It is understood and agreed that the Publisher shall be deemed to be in breach of the foregoing exclusivity clause should it keep the Service on the Properties but divert all of its traffic to a new website. Publisher acknowledges that the restrictions set forth in this Paragraph 4 are essential to Taboola's business and that any breach of the foregoing exclusivity provision will cause irreparable harm and significant injury to Taboola for which money damages will be inadequate. Accordingly, in addition to any other rights or remedies Taboola may have, Taboola shall have the right to obtain an immediate injunction to enjoin any breach or threatened breach of this provision of this Agreement, without having to post a bond or other security, and, where it is a prevailing Party, shall be entitled to receive its reasonable attorneys' fees.

The Receiving Party will not use or disclose to any third party the Disclosing Party's Confidential Information (as defined below) except as necessary for the performance of this Agreement or for enforcement of its terms in the event of a breach; the Receiving Party may make such disclosure only to those individuals who are bound by confidentiality obligations at least as restrictive as those set forth herein (provided that the Receiving Party hereby agrees that it shall be responsible for any violation of the terms of this Agreement by such third parties). The Receiving Party will protect and preserve the Confidential Information as confidential, using no less care than it protects and preserves its own confidential and proprietary information (but in no event less than a reasonable degree of care), and shall not use the Confidential Information for any purpose except as necessary to carry out its obligations under this Agreement. The foregoing obligations will not restrict the Receiving Party from disclosing Confidential Information of the Disclosing Party (a) pursuant to a court order from a court of competent jurisdiction, an administrative agency, or other governmental body, provided that the Receiving Party, to the extent permitted by law, gives reasonable prior written notice to the Disclosing Party so that it may contest such order and, in the event that disclosure is required, only discloses the portion of Confidential Information that its legal counsel advises is legally required; (b) pursuant to a regulatory investigation or enforcement or in response to any governmental agency request; or (c) to any existing or potential investors, acquirers and financiers as part of a due diligence process. Confidential Information does not include information

that: (i) is or becomes generally known to the public through no fault of or breach of the Receiving Party; (ii) is rightfully known by the Receiving Party at the time of disclosure without an obligation of confidentiality; (iii) is independently developed by the Receiving Party without use of the Disclosing Party's Confidential Information; or (iv) is rightfully obtained by the Receiving Party from a third party that has no duty of Confidentiality to the Disclosing Party.

10. **Choice of Law:** This Agreement (and all non-contractual relationships arising out of or related to it) shall be governed by and construed in accordance with the laws of England. The Parties hereby submit to the exclusive jurisdiction of the English courts. If either Party hereto breaches any of the terms of this Agreement, the non-breaching Party shall be entitled to recover from the breaching Party any reasonable legal fees, costs, and expenses incurred to enforce this Agreement against the breaching Party.
11. **Taboola's Provision of Services:** Publisher acknowledges that Taboola's parent company, Taboola.com Ltd., owns all intellectual property rights in and to the Platform and the Services, and that Taboola is just an authorised reseller and distributor of the Platform and the Services. Accordingly, Publisher understands and agrees that Taboola.com Ltd. will provide the Platform to Taboola for purposes of licensing and distribution by Taboola in the provision of its Services, and will perform certain other backend services on behalf of Taboola. Publisher hereby consents to Taboola's delegation of the performance of some of the Services hereunder to Taboola.com Ltd., subject to Taboola remaining liable for the complete and correct discharge of all its responsibilities hereunder.
12. **Force Majeure:** Taboola shall not be responsible for any failure or delay in its performance under this Agreement due to causes beyond

its reasonable control, including, but not limited to, labor disputes, strikes, any prohibition, admonishment, encouragement or restriction by any government or other legal authority that affects this Agreement and is not in force on the date of this Agreement, lockouts, failures of the Internet, shortages of or inability to obtain energy, raw materials, or supplies, war, terrorism, riot, or acts of God.

13. **Miscellaneous:** This Agreement constitutes the complete and exclusive understanding and agreement between the Parties regarding the subject matter herein, and supersedes all prior or contemporaneous agreements or understandings, written or oral, relating to its subject matter. Each Party acknowledges and agrees that in entering into this Agreement, it does not rely on, and shall have no remedy in respect of, any statement, representation, warranty, or understanding (whether negligently or innocently made) of any person (whether Party to this Agreement or not) other than as expressly set out in this Agreement. Nothing in this Agreement shall operate to limit or exclude any Liability for fraud or for representations as to fundamental matters. The failure of either Party to enforce strict performance by the other Party of any provision of this Agreement or to exercise any right under this Agreement shall not be construed as a waiver of that Party's right. Taboola may waive, modify, or amend any provision of this Agreement from time to time at its sole discretion. Should any section or part of a section within this Agreement be rendered void or unenforceable by any court of competent jurisdiction, the remaining provisions of this Agreement shall nevertheless be binding upon the Parties with the same effect as though the void or unenforceable part had been severed and deleted.

APPENDIX A

1. Taboola News. Taboola partners with digital properties and mobile device manufacturers globally to implement on their digital properties and mobile devices a news feed powered by Taboola (the "Taboola News Product"). The Taboola News Product contains article headlines, short texts in combination with images, and videos that enable Taboola publishers to make their content accessible to and reach a larger audience (i.e. increasing traffic and exposure to the Properties). The content is sourced from publishers that are part of the Taboola network and other third parties, and may be supplemented with Taboola Sponsored Content. The Taboola News Product can be structured as a scrolling feed of Content Cards or as a wallpaper, and displays (a) an article headline and an image that is either provided by a third party or that the Company itself has selected for the respective article headline, and/or (b) a video sourced from the Properties or Company's social media channels (e.g. YouTube, Instagram, TikTok). If the Visitor clicks on a single piece of Company sourced content, the Visitor is either (x) redirected directly to the Property, or (y) redirected to a web page controlled by Taboola displaying (i) a preview of the article, where the first sentences of the article are displayed (again in combination with an image) or a summary of the article generated by automated solutions is displayed, or (ii) a video unit; and where from the Visitor can in both cases click through or out to the Property.

2. Licence. For the purpose described in this Agreement and for the Term of this Agreement, Company grants Taboola the non-exclusive, worldwide (a) right to use any content from the Properties and (b) authorization to access and extract any content from Company's social media channels (including texts, images, videos, and music), in both (a) and (b) for the purpose described hereunder, in particular the right to crawl, download, store, reproduce, publish, digitize, make publicly available as well as the right to edit (e.g. images, titles, and branding text), whereby the latter is only granted insofar as this is necessary for purposes of Taboola News. Company further grants Taboola the non exclusive, worldwide right to use, and to grant the third parties who have implemented Taboola News on their properties or devices the right to use, Company's and the Properties' names and logos for purposes of marketing Taboola News. The Company represents that it holds all rights to Company Content and is able to grant Taboola (and the third parties who have implemented Taboola News on their properties or devices) the rights to use the Company Content in Taboola News, and no rights of third parties are violated as a result.

3. No Remuneration. Taboola's distribution of Company Content through Taboola News is at no charge to Company, and no license fee or specific monetary remuneration is to be paid by Taboola to Company. Company acknowledges that the opportunity to generate traffic to the Properties and to promote Company's brand awareness (in addition to keeping 100% of the revenue generated by units on the Properties other than the Platform) to be fair compensation for the inclusion and use of Company Content in Taboola News. Thus, Company shall not be compensated for any advertising revenue generated by or pageviews of the Platform served to Visitors accessing the Property through Taboola News and Taboola shall keep the entirety of the gross Revenue derived from the Platform during any Taboola News Session (i.e. the duration of a visit to the Property by a Visitor who arrives to such Property through Taboola News). No pageviews of the Platform during a Taboola News Session shall be counted as a Recommendation Pageview.
